

Welcome to Woolaroc! We are glad that you and your students are coming to visit this national treasure. Please review the following guidelines and share them with your class – it will allow for a much better visit for everyone:

1. **Students may not bring pencils or pens into the buildings.** An adult using a clipboard may take notes or write down quiz answers for the students.
2. Your group will be sharing the facilities with other groups and other guests so please treat everything and everyone with respect.
3. Absolutely no running or loud voices in the buildings. Groups may be asked to leave if this becomes a problem.
4. **No food or drink allowed in the museum.** Please have your students leave their backpacks and lunches in the vehicle rather than bringing them into the building.
5. This is VERY important, please do not ever touch any of the art or sculptures as the oil on people's hands can cause serious damage to the priceless art.
6. Outside sculptures and petrified wood fountain are not to be climbed on even for photo opportunities.
7. Sadly, shoplifting in the Gift Shop has been a growing problem the last few years. Please monitor your group closely and help us avoid what can be an embarrassing situation for everyone!

Please sign and date below acknowledging that you have received and understand these Woolaroc guidelines and have shared this information with other teachers and parents that will be coming to Woolaroc, then fax a copy to our office at #918-336-0084. We look forward to your visit and hope that your students have a wonderful experience at Woolaroc!
